

Honda EU30is Generator

\$4, 239

Specifications

Boat Details

Price	\$4, 239	Boat Brand	Honda
Model	EU30is Generator	Length	0.00
Year	2020	Category	Generator
Hull Style		Hull Type	
Power Type		Stock Number	
Condition	New	State	New South Wales
Suburb	GUNNEDAH	Engine Make

Description

The Honda EU30is Generator also features an Eco-throttle which adjusts the engine speed to meet the load demand. This increases fuel economy whilst also reducing noise as the engine is not required to run at full capacity unnecessarily. It features a microcomputer-controlled sinewave inverter that guarantees commercial-quality electricity - ideal for use with frequency-sensitive electrical equipment such as computers. And just like all Honda generators, the Honda EU30is Generator starts first time, every time with convenient electric start and recoil start back-up. PERFORMANCE & PEACE OF MIND

The Honda EU30is Generator is whisper-quiet, operating from 52dB(A)* / 65dB(A), and at only 59kg, is one of the lightest generators in its class. It runs on unleaded fuel so you'll never have to mix oil and petrol again. Environmentally friendly, the Honda EU30is generator emits lower emissions & less noise, and uses less fuel than its competitors. The engine is protected via a low oil alert system, and it will give you up to 20* hours of continuous operation on a full fuel tank. HONDA'S WORLD-RENOWNED TECHNOLOGY

The generator is Parallel Connection capable. This feature allows two Honda EU30is' to be quickly and easily linked using a special parallel connection cable to double your output to 6Kva. With electric-starting and enough power to be used in a wide range of home, recreational and professional uses, the Honda EU30is Generator incorporates all of Honda's portable power technology. With 12 Amp/12 Volt DC and a maximum of 3000W/240 Volt AC, the Honda EU30is Generator can run appliances and charge batteries simultaneously. WARRANTY

Honda's comprehensive warranty structure covers the Honda EU30is Generator for 4 years (domestic) and 1 year (commercial). You're also backed by a network of more than 450+ authorised dealers across Australia. You'll never be alone with a Honda EU30is Generator. When you're after reliable power, it's the best choice you can make. ENGINE

ENGINE GX200

DISPLACEMENT 196 (cc)

IGNITION SYSTEM Transistorized magneto

OIL ALERT Yes

STARTING SYSTEM Recoil & Electric

STOPPING SYSTEM Ignition primary circuit ground

RECOMMENDED FUEL Unleaded

FUEL (APPROX) 1.78 (litres/hr)

FUEL TANK CAPACITY (LITRES) 13 Litres

CONTINUOUS OPERATING HOURS 20hr* / 7.1hr

OPERATING NOISE LEVEL (AT 7M) 52dB(A)* / 65dB(A)

DIMENSIONS

DIMENSIONS (LxWxH) 658 x 447 x 558 (mm)

DRY WEIGHT (KG) 59kg (w/battery)

FEATURES

ELECTRIC STARTER Yes

MAXIMUM AC OUTPUT 3000VA

RATED AC OUTPUT 2800VA

DC OUTPUT (GENERATOR/CHARGER) 12A

BATTERY CHARGING Yes

FREQUENCY METER No

VOLT METER No

GENERATOR TYPE Multipole field rotation type (inverter)

RATED VOLTAGE 240 (V)

RATED FREQUENCY 50 (Hz)

FUEL GAUGE Yes

AC CIRCUIT BREAKER Yes

DC CIRCUIT BREAKER Yes

AUTO THROTTLE Eco-throttle

AUTO CHOKE No

LARGE CAPACITY AIR CLEANER Yes

LARGE CAPACITY FUEL TANK Yes

LARGE CAPACITY MUFFLER Yes

PILOT LAMP Yes

AIR CLEANER Dry paper type

PARALLEL OPERATIONS CONNECTION PORTS Yes

PARALLEL OPERATIONS CONNECTION CABLE Optional

4 WHEEL DOLLY KIT Optional

RRP \$4,239

CONDITION *With eco-throttle switched on at 1/4 output
