Description

The HondaUMC435 Power Head draws premium performance from Honda's famous 35cc 4-Stroke Engine - the same engine that powers Honda's commercial range of brushcutters. Suitable for residential users and commercial contractors alike, the HondaUMC435 will deliver all the power you could ask for. It delivers 'starts-first-time every-time' reliability and superior performance, and comes standard with an emphatic 4-Year Warranty! Advanced Technology

As the world's lightest OHC engine, the Honda Mini 4-stroke engine requires no fuel/oil mixing, and runs at approximately half the operating cost of comparable 2-stroke engines. A full 360° "any-side-up" operation means you can use and store the HondaUMC435 in any position, and take advantage of the exclusive rotary-slinger lubrication system. The carburetor is equipped with an accelerator pump for fast, easy acceleration, and an efficient port configuration and large diameter valves maximise power output. Specifications

MODEL UMC435

VERSATOOL COMPATIBLE Yes

TYPE 4-stroke, overhead cam, single-cylinder, horizontal shaft

BORE & STROKE 39 x 30 mm (1.5 x 1.2 in)

DISPLACEMENT 35.8cm³ (2.2 cu in)

COMPRESSION RATIO 8.0:1

NET POWER 1.0kW (1.3HP) at 7,000 rpm

MAXIMUM NET TORQUE 1.6 Nm (1.2 lbs ft) at 5,500 rpm

IGNITION SYSTEM Transistorised magneto ignition

STARTING SYSTEM Recoil Starter

COOLING SYSTEM Forced-air

PTO SHAFT ROTATION Counter-clockwise (from P.T.O. side)

FUEL CONSUMPTION AT RATED POWER 0.71 L/h at 7,000 rpm

RECOMMENDED FUEL Unleaded

LUBRICATION SYSTEM Oil Mist

OIL CAPACITY 0.1l

FUEL TANK CAPACITY 0.65l

DIMENSIONS 198mm x 234mm x 240mm

DRY WEIGHT 3.33 kg (w/o clutch)

OTHER SPECS Infinite Operating Angles

PRICE \$649
