### **Description**

Designed for cutting and clearing around your property, the HondaVersaTool Brushcutterattachment makes lawn maintenance easy. It features an ergonomically designed easy-grip loop handle and is light on your back, shoulders and arms. A durable nylon cutter head makes light work of even the most stubborn of grass and weeds, and a deep debris guard offers user protection from clippings and other hazards. Making Maintenance a Breeze

If you've ever used a Honda Power Equipment product before, you'll know that the premium components that go into every Honda product are second to none. Utilising the 'one-click' connector of the VersaTool Power Head, attaching the HondaVersaTool Brushcuttercan be done in a second, so you experience less down time. And with 4-Year Domestic and 12-Month Commercial Warranties, you've got the backing of one of the world's premier manufacturers behind you. Specifications
