## Description

Honda'sF220features the impressive GXV57 4-Stroke Honda engine, which uses less oil and fuel and produces less noise and emissions than the competition. Featuring a 545mm Tilling Width and a 280mm Tilling Depth with Multi-step adjustable handlebars, get the job done with the perfect Honda finish, every time.

•

Tilling width 545mm

•

Tilling depth 280mm

•

GXV57 Engine

•

Multi-step adjustable handles

•

4 Year Warranty
Ready to Plow

Honda leads the world with revolutionary mini 4-stroke engines that deliver more power and use less oil. With their auto-decompression, electronic ignition and anti-flood primer system, Honda Tillers start first time, every time, year after year. Superior engineering means Honda Tillers produce less noise and smoke and with their ultra-compact, lightweight design, Honda Tillers are easier to handle and will keep you working longer with less fatigue.
Performance/Usability

Like so many other Honda Power Equipment products, the HondaF220 Tillerstarts first time, every time with Honda’s famous one pull easy start system. Its lightweight design is the result of decades of Honda Power Equipment's technological advancements, making it ideal for confined areas. What's more, the HondaF220 Tillerruns on unleaded fuel so you’ll never have to mix oil and petrol again - great for the environment and for the soil that you're tilling - why would you want to spew 2-stroke smoke into the same soil you're going to pull your vegetables from in a few months' time?Warranty

The peace of mind provided by a 4 Year Domestic Warranty & 1 Year Commercial Warranty helps make the Honda F220 Tilleran even more impressive package 450+ authorised Honda dealers around Australia are also on hand to keep your HondaF220 Tillerserviced and running smoothly. So when you're looking for best-in-class performance in a tidy package, the HondaF220 Tilleris just what the doctor ordered.Specifications
