-

GX160 Engine

-

2 forward gears & 1 reverse

-

4 Year Warranty
Performance/Usability

Like the best of Honda's Power Equipment range, the HondaF501 Tillerstarts first time, every time with Honda’s famous one pull easy start system. Compared to other, less environmentally-friendly tillers, the HondaF501 Tiller offers a low emission, quiet and efficient alternative. It means you, your soil and your neighbours will all be undisturbed by the fumes and smoke that other competitor models spew out.4-Stroke Advantage

Honda leads the world with revolutionary mini 4-stroke engines that deliver more power and use less oil. With their auto-decompression, electronic ignition and anti-flood primer system, Honda Tillers start first time, every time, year after year. Superior engineering means Honda Tillers produce less noise and smoke and with their ultra-compact, lightweight design, Honda Tillers are easier to handle and will keep you working longer with less fatigue.

TheF501 Tillerruns on unleaded fuel, so you'll never get your hands dirty having to mix oil and petrol again just to get the thing going! This is thanks to its 4-Stroke advantage, plus you’ll also get premium power and torque so it’s a win, win! Honda leads the world with revolutionary 4-Stroke engines that deliver more power and use less oil than 2-stroke alternatives.Warranty

The HondaF501 Tillerfeatures a 4 year Domestic Warranty and 12 month Commercial Warranty, meaning that you're backed by Honda to get the most out of your investment. It runs on unleaded fuel so you'll never have to mix oil and petrol again. That's great news for the environment, and even better news for your veggie patch! And with a dealer network of 450+ authorised, independent servicing dealers around Australia, you've got all the support you'll ever need.Specifications
