Description

The HondaGX340 engineis used in all sorts of applications. From Pressure Washers and Construction/Industrial equipment, to Tillers/Cultivators, Generators and Commercial Lawn & Garden Equipment, it can be found working hard all over Australia.Due to its power, heavy-duty Forestry Equipment, Agricultural Equipment and Water Pumps are also powered by the gutsy HondaGX340 engine.Fuel Efficient, High Output Operations

A digital CDI ignition system with variable timing and an increased compression ratio combines with the HondaGX340 's Precision Camshaft design to offer precise valve timing and optimal valve overlap for better fuel efficiency. It draws on decades of Honda engineering with its OHV design, delivering increased efficiency and optimal power transfer where and when you need it. The use of lightweight, noise-reducing materials and a forged steel crankshaft & rigid crankcase results in an exceptionally quiet engine - an improved piston design reduces mechanical noise, with an overall reduction of engine noise by up to 5 dB.Smooth Performance

The HondaGX340 engineoffers precision-engineered components resulting in lower vibration, and a Ball Bearing-supported Crankshaft for greater stability. It also offers an improved piston design and a heavy duty balancer shaft to deliver smooth performance. A large capacity, multi-chamber exhaust system and sophisticated air intake system also makes for an exceptionally quiet engine. And with a simple Throttle Control, large Fuel Tank and Automotive Type Fuel Cap, Dual Oil Drains and Fills, an easily accessible Spark Plug and Heavy Duty Recoil Starter, the HondaGX340's features go on and on.3 Year Warranty

The HondaGX340 engine, just like the entire GX Engine range, is covered by an extensive Honda 3 Year Warranty. And for those who want a little bit more, available extras include Gear reduction options, Electric start option, Spark arrester and Charge & Lamp Coils with Multiple Output Options. And should there be any issues, a nationwide network of 400+ authorised Honda dealers are there to back you up with all your parts & service requirements.
