Description

Boasting the latest in Honda's ultra-compact, lightweight, 4-Stroke engines, theUMK435 Loop Brushcutterdelivers superb power and more torque than ever before.

It does this via a Generation II, GX35 mini 4-stroke engine, proving yet again that Honda leads the world in revolutionary engine technology. And as you've come to expect from a Honda, theUMK435 Loopstarts first time, every time - year after year.Environmentally Friendly

Honda prides itself on its superior engineering, meaning that theUMK435 Loopproduces low emissions, less noise and smoke than its 2-stroke counterparts.

TheUMK435 Loopruns on regular unleaded fuel, so you'll never have to mix oil and petrol again.

Given the cost of petrol and 2-stroke oil, theUMK435is easy on your wallet, easy on the environment, and great for your bottom line.Performance Features

TheUMK435Loop Brushcutter makes tough jobs easy with a 4-tooth metal blade plus a heavy-duty manual nylon line head.

It features full 360° "any-side-up" operation, for use and storage in any position. Its ultra-compact, lightweight design means it's easier to handle and will keep you working longer with less fatigue.

With its auto-decompression, electronic ignition and anti-flood primer system, it will deliver power, performance and reliability every time you need it.Warranty

TheUMK435 Loopfeatures a 4-year Domestic Warranty, for any job around the house, designed to put your mind at ease.

With a powerful 35cc engine, theUMK435is a contractor's dream machine, and as such Honda provides a 3-year Commercial Engine Warranty and 12-month Commercial Frame Warranty.

Throw in the support of a 400+ strong authorised Honda dealer network, and you've got yourself covered.
