Weighs 9kg

Easy-Starting

Like most Honda Power Equipment products, the Honda WX15 Volume Pump starts first time, every time with Honda's famous one pull easy start system. It's powered by Honda's gutsy GXH50 4-Stroke OHV engine and runs on unleaded fuel, so you'll never have to mix oil and petrol again. All this makes the Honda WX15 Volume Pump a hassle-free, environmentally-friendly Volume Pump with low emissions, less noise than the competition and low fuel consumption. Uncompromising = Honda

Honda Water Pumps offer a level of uncompromising performance to a wide variety of water transfer applications. Designed for easy starting, priming and dependable service, used throughout the world for over 20 years, Honda water pumps have earned a reputation for unsurpassed reliability and performance. These pumps are known for their durable construction, quality engines and easy portability; features that apply to all categories of Honda pumps.

Warranty

All Honda pumps come with an impressive 4 Year Domestic Warranty and 1 Year Commercial Warranty, giving you added peace of mind. When combined with a network of over 450 authorised independent dealers around Australia, you've got some serious back-up with a Honda pump. There's no question; if you're after a quality investment that won't let you down, the Honda WX15 Volume Pump is just the pump for you.
